

# ATTRACTION AMBASSADORS

## Problem Statement

“The objective is to develop a more efficient and cost-effective jig that improves production line adaptability and reduces setup times and material cost.”

## Why us?

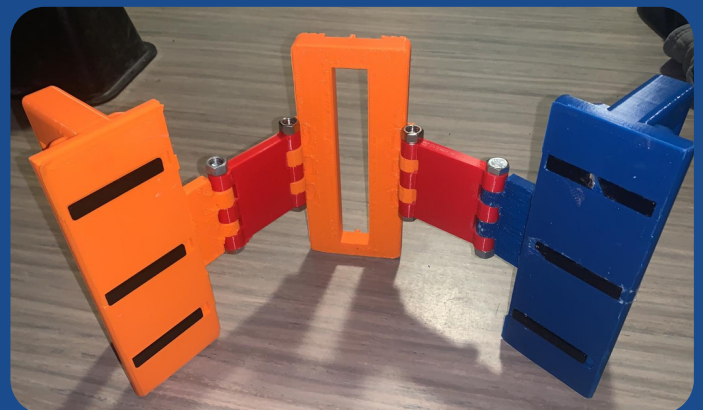

- No mechanical parts
- Magnets have a success rate of 100%
- Easy repairability

## Specs

- Reusable
- Requires little time to setup
- Adjustable for many door thicknesses
- Precise + accurate

## Metrics

- Clamp on: < 30 seconds
- Alignment: < 60 seconds
